FAQs – 1. Is it cheaper to buy flights on Chase Travel? Not necessarily. While Chase Travel frequently matches or slightly undercuts airline prices, the base fare is often identical to booking directly with the airline. However, you may find better deals if you book a "package" (flight + hotel) or use Chase Travel's app tools. What is the cheapest day to buy flights on Chase Travel? On Chase Travel, Friday is the cheapest day of the week to both book and depart for your flight, according to their travel data. Booking your flight on a Friday instead of a Sunday can save you roughly 3%, while flying on a Friday instead of a Sunday saves up to 8%. What is the cheapest day of the week to book a flight? Data shows there is no single "cheapest" day to book a flight. While historical advice pointed to Tuesdays, major travel studies indicate booking on Fridays or Sundays offers modest savings compared to other days. However, the day you fly is much more important for savings than the day you book. Is it better to book with Chase Travel or directly with the airline? Booking directly with the airline is generally better for easier flight changes, reliable customer support, and earning loyalty miles, though Chase Travel can occasionally offer lower package prices or bundle deals. What is the best day to buy airline tickets in 2026? There is no single magic day of the week to buy cheap airline tickets, as modern airlines use real-time algorithms to adjust prices constantly based on demand. Recent travel data indicates that Fridays offer minor savings for booking, but how far in advance you book matters much more than the day you buy. Are flights cheaper at 3am? Yes, flights departing at 3:00 AM are often cheaper, but booking your ticket at 3:00 AM does not give you a secret discount. Ticket prices change all day and night based on real-time computer data, not a magical midnight price drop. What is the 3 seat economy trick? The "3-seat economy trick" is a strategy for couples flying together. Instead of booking two seats side-by-side, you reserve the window and aisle seats in a 3-seat row, leaving the middle seat empty. The goal is that passengers naturally avoid booking middle seats, potentially leaving the middle seat open for a more comfortable flight. However, you can secure better rates, perks, or refunds through several alternative strategies.
